Leggi il testo e indica se le affermazioni sono vere (True) o false (False). Correggi quelle false.

Hi, everybody!

It's your favourite blogger Helly.

I want to tell you about my fantastic party.

As you know, I was born on the 30th September, so yesterday was my birthday.

I had a big party at home with my classmates. There were twenty boys and girls.

There was also my new Dutch friend Alexander. He lives here now. He comes from a little town in Holland and his house was on a boat... how strange!!!!

My mum was very happy to meet him.

There were lots of sandwiches and sweets and lots of drinks (coke, orange juice, iced tea) and there was a delicious chocolate cake with 15 candles. I had lots of presents but my favourite one was my parents' present: a little dog! His name is Pongo! He's so sweet!

We had a lot of fun.

It was very nice but really noisy and my neighbours weren't very happy.
